

## Faculty Payments

For most course models, the following payment information applies. Some hybrid course models will have their own individualized payment arrangements, which will be clearly detailed in the faculty member's contract. Other payment models may be agreed upon in various circumstances according to individual contracts.

- Lecturers receive a stipend of \$5,000 per course (first run), plus subsequent royalties on any rerun of the course, paid out in equal monthly installments over the duration of the term.
- Preceptors receive \$2,000 per section (a section is limited to 8 students for language courses and 12 for literature courses), again paid out in monthly installments.
- The Thesis Director is paid \$475 (US) per semester for a two-semester thesis project.
- The Thesis Second Reader is paid \$100 for a single reading of and commentary upon a student's thesis.
- The usual fee for a guest lecture is \$450 for a 90-minute lecture.
